

Non-Compliance: Fall 2021 COVID-19 Vaccination Requirement

University of Virginia

Students who have **not** met the UVA Fall 2021 COVID-19 vaccination requirement have been disenrolled from classes, are not allowed to move in (if living on Grounds), and are not able to access buildings, services, or resources on Grounds. If you are disenrolled, you may still complete this requirement before Tuesday, 8/24, (first day of undergraduate classes) and have the opportunity to re-enroll in classes. **Please note, however, that you have lost your current fall schedule and will be able to enroll in open/available classes only.** If you do not complete this requirement by 8/24, you will not be allowed to attend UVA this fall, attend any fall classes, and if you receive financial aid, your fall aid along with your tuition and fee charges will be cancelled. Please contact your school of enrollment after 9/20 to discuss your possible return in spring 2022. **In order to fulfill the COVID-19 vaccination requirement and re-enroll, students have three options:**

If fully vaccinated, upload a COVID-19 vaccine record to the HealthyHoos patient portal.

Visit www.healthyhoos.virginia.edu

- Login using your Netbadge ID
- Click “Upload” and select “COVID-19 Vaccine Immunization Information”
- *Uploads must include the name of the vaccine manufacturer and, when possible, should be in English.*

If seeking a medical or religious exemption:

Visit www.studenthealth.virginia.edu/pre-entrance-health-form

- Download and complete the Medical Exemption Form or Religious Exemption Form (*please do not forget to sign and date your form*); **AND**
- Upload the form to the HealthyHoos patient portal (www.healthyhoos.virginia.edu); **AND**
- Complete pre-arrival viral PCR COVID-19 test (available daily through UVA BeSafe Testing; visit besafe.virginia.edu/testing-sites-and-hours). Upload result to the HealthyHoos patient portal.

If planning to get vaccinated or vaccination series is not yet complete:

1. Schedule an appointment with the UVA Health COVID Vaccine Clinic (uvahealth.com/locations/profile/uva-covid-clinic) or visit vaccines.gov to find a vaccination site near you. *If receiving first vaccination in series, students must obtain initial shot prior to moving on to next step.*
2. Complete the Temporary Waiver Form (www.studenthealth.virginia.edu/pre-entrance-health-form). Once completed, signed, and dated, upload this form to the HealthyHoos patient portal (www.healthyhoos.virginia.edu) by clicking “Upload,” and selecting “COVID-19 Vaccine Temporary Exemption Upload.” Once uploaded, *proof of your first vaccination dose must also be uploaded* (e.g., a photo of your vaccine documentation) by selecting “COVID-19 Vaccine Immunization Information (uploaded/received).”
3. Complete pre-arrival viral PCR COVID-19 test (available daily through UVA BeSafe Testing; visit besafe.virginia.edu/testing-sites-and-hours). Upload result to the HealthyHoos patient portal.
